ABOUT

UX designer with 1+ years experience across web, mobile and B2B SaaS. I work from research to interface: interviews and journey maps, information architecture, flows, and polished UI built on solid design systems. I also prototype quickly with AI tools to take ideas from 0 to 1

CORE SKILLS

UX: User Research, Usability Testing, Journey Mapping, Information Architecture, User Flows, Wireframing, Prototyping, Interaction Design, Visual Design

UI: Design Systems, Responsive Web & Mobile UI, Typography

Research: User Interviews & Synthesis, Usability Testing, Competitive Analysis

Other Skills: Developer Handoff, Stakeholder Communication, Rapid Prototyping, Vibe Coding

Tools: Figma, Adobe CC, Framer, Miro, Claude Code, Google Antigravity, Stitch, Notion, Lovable, Figjam

EDUCATION

NABA — Nuova Accademia di Belle Arti, Milan **MA User Experience Design** · Sep 2024 – Nov 2026 (Expected)

Service innovation, systems thinking, emerging technologies, human-centred design

Manipal Institute of Technology **B.Tech Print & Media Engineering** · Jun 2019 – Jun 2023

Design, visual communication, production systems and technology

SELECTED ACHIEVEMENTS

- **Won 3rd Place** — NCA Design Awards and **Member of AI Academic Integrity Committee at NABA Milan**
- **Designed and shipped 3 independent** digital products, spanning AI-powered productivity, macOS software
- **/trace:** Selected for **STEP Project FuturAbility District, Milano Digital Week 2026:** an interactive installation exploring blockchain through live data, visualisation and generative interaction.

PROFESSIONAL EXPERIENCE

Hobbytribe — Product Designer Oct 2023 – Jul 2024 · Mumbai

- Led end-to-end UX for a gamified hobby-learning platform across web and mobile resulting in **10% growth in 3 month**s.
- Conducted and synthesized **qualitative user research from 120+ participants** to shape core product strategy alongside domain experts and investors
- Collaborated with the founder to refine the product experience, **contributing to a successful ₹1.2 Cr (€130k investment** round.

e-tailize — UI/UX Designer (Contract) Jul 2023 – Sep 2023 · Mumbai

- Created a scalable UI design system from scratch (tokens, typography, components) for a B2B SaaS platform
- Simplified complex user workflows to integrate PIM systems across the product resulting in **12% growth of enterprise users**
- Drove **14% growth** in user engagement through qualitative research data-led UI redesign at e-tailize

SELECTED UX ACADEMIC PROJECTS

Mica : Designed a housing platform connecting students with older homeowners through compatibility matching, trust-building and mutual value exchange. **Research · Journey Mapping · UX Strategy · Prototyping · Usability Testing**

Orco : Reimagined ORCO's website around ingredient transparency, recipe discovery and personalised exploration through UX and brand strategy. Awarded best project **UX Research · Information Architecture · Brand Experience**
